What is the Teen Association of Model Railroaders?

The Teen Association of Model Railroaders (TAMR) is a group dedicated to the advancement of youths in the hobby of model railroading and railfanning. TAMR members help each other out with their model railroads, give them tips on photography, watch trains, and more! TAMR Conventions, newsletters, and access to our website help TAMR members make friends that share the same interests.

CONVENTIONS

The TAMR holds many conventions throughout the year. Here are the several types of conventions:

SUMMER NATIONAL:

The Summer National Convention is held in a different city every year. Typical activities include model and photo contests, railfanning, layout tours and operating sessions, clinics, and slide shows. It's a great place to meet other TAMR members

WINTER NATIONAL:

The Winter National Convention is held in Springfield, Ma every year in conjunction with the Amherst Railways Society's Big Hobby Show which occupies three buildings. Activities include railfanning the massive West Springfield Yard, attending the show, clinics, slideshows, and the annual pizza party!

REGIONAL CONVENTIONS:

The TAMR knows that not all members can attend the national conventions, so the regional conventions are there to promote activity in a more local area. The TAMR has five regions - Central,

International, Northeastern, Southern, and Western - which hold regional conventions throughout the year.

DIVISIONAL CONVENTIONS:

The TAMR has several very active divisions. As of the writing, the most active divisions are the New York City Metro Area Division, which spans southeastern New York and northern New Jersey; the Great Plains Division, located in North Dakota and Minnesota; and the Heartland Division in the St. Louis area.

THE HOTBOX

The Hotbox is the monthly official publication of the TAMR. Members receive 12 issues which contain a wide variety of articles. You'll find topics like:

- ✓ Model railroad construction techniques and tips
- ✓ Features about members' model railroads
- ✓ Product reviews
- ✓ Inexpensive improvements for model railroads
- ✓ Drawings, photos, cartoons
- ✓ Prototype railroad news
- ✓ Convention reports
- ✓ Your letters
- ✓ Lots more!!!!

Regional Newsletters

Each region of the TAMR produces a regional newsletter that comes out quarterly and is filled with local content.

TAMR WEBSITE

The TAMR has a website, located at <http://www.tamr.org/>. On the website, you'll find information about the TAMR, links to TAMR members' web pages, an online photo album, and more!
